Add an extra layer of comfort to your boy's life with a squishable bean bag. Available in a variety of vibrant blues, blacks, reds, and greens, our bean bags for boys are ideal for bedrooms, playrooms, or living rooms, wherever he wants to relax.

Filled with tiny polyester balls that contour to his shape, and sealed in durable materials that can easily withstand the bumps and tumbles of boy's play, our bean bags are sure to keep up with his active lifestyle. Choose from strong polyester or nylon for the feisty ones or soft PU leather or cotton for something more relaxing. And don't worry about mucky footprints or food stains, as all of these materials are easy to clean, most with a cloth and soapy water.

With a selection of bean bag shapes to choose from, he's sure to find one that matches his needs. We have standard chair shapes with a high back for added support when he's sitting and reading, pillow shapes for stretching and lounging after school, or even a football shape for the budding sports star to chill out after a game.

Create a cosy spot just for him to sink into and relax with our funky and versatile bean bags. Or create extra seating in your living room when the family gets together to watch TV, or you have little guests over. A bean bag is guaranteed to brighten up any space and give your boy a go-to place to put his feet up.
