Every girl deserves a throne fit for a princess, and what better throne than a comfy, cosy bean bag? With a choice of vibrant pinks, reds, purples, and blues, she's sure to find a bean bag in our range to suit her style. A bean bag makes a great accessory to any girls' bedroom. As an ideal place to relax after school or an eye-catching centrepiece when it's not being used, we offer bean bags that suit any need.

Our wide variety of materials means she can cuddle up on a shaggy bean bag with extra fluffiness, stretch out and play on tough polyester pillows, or lounge about and relax on soft PU leather or cotton. All of these materials are easy to clean, most with a cloth and soapy water, so there's no need to worry about dirt or stains sticking to her new favourite chair.

All of our bean bags are filled with small polystyrene balls that mould to fit her body, giving her super comfort and the support she needs for an enjoyable rest. Most are easy to move from room to room, so no matter where she wants to lounge she has a bean bag to do it in.

We have bean bags in both small and large sizes to suit any girl from little princess to growing young woman. So whether she wants to curl up with a book or crash out in front of the TV, we have the bean bag for her.
