

# Jumpers

Keep them warm when it's cold in one of my soft and cosy baby's jumpers. Hand knit with care, each jumper has a lovely handmade feel and is perfect for wrapping up your little one in a woollen hug.

Layer a hand knit jumper over a shirt for a special occasion, or simply pair with your child's favourite comfy pants for a casual look. From lightweight jumpers to chunky Arans, I have a knitted jumper for every season.

Christmas Tree Jumper with Snowflake B...

Navy Jumper with Planet Motif

Mint Aran Jumper

White Aran Jumper
